

**DEPARTMENT OF TRANSPORTATION
JOB OPPORTUNITY
Transportation District Engineer
Bureau of Engineering and Construction**

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The Public
Location: Norwich, CT- District 2 Headquarters
Job Posting No: 28452
Hours: 40 hours per week
Salary: Salary grade MP-71 (\$109,846 - \$149,770)
Closing Date: Tuesday, August 4, 2015 4:00 p.m.

There is a Transportation District Engineer position available in the Bureau of Engineering and Construction, Office of Construction, in the District 2 Norwich, CT Building. This position requires active Professional Engineer (PE) licensure from the State of Connecticut Department of Consumer Protection State Board of Examiners for Professional Engineers and Land Surveyors consistent with C.G.S.§20-302.

Position Description:

The District Engineer is accountable for directing the construction engineering activities in a district office as follows: Directs staff and field operation activities of the district, coordination of highway surveys, supervision of consultant engineering contracts relative to construction engineering and inspection, makes recommendation of specific design changes during construction, formulates program goals and objectives, interprets and executes pertinent laws, trains and evaluates staff, maintains contacts with town officials, legislators, the public, media representatives and contractors, settles controversies, and represents the Department at public hearings regarding transportation projects.

MINIMUM QUALIFICATIONS REQUIRED

KNOWLEDGE, SKILL AND ABILITY:

Considerable knowledge of and ability to apply management principles and techniques; considerable knowledge of principal and practices of civil engineering as applied to highway and bridge construction; relevant state and federal laws, statutes and regulations; considerable interpersonal skills; considerable oral and written communication skills.

EXPERIENCE AND TRAINING:

General Experience:

Eleven (11) years of professional experience in the planning and execution of complex transportation engineering projects.

Special Experience:

Two (3) years of General Experience must have been in a supervisory capacity in the field of complex transportation engineering with responsibility for policy formulation and complex project management for major bridge or highway design or highway construction projects.

NOTES: 1. Supervisory capacity is interpreted as scheduling, assigning and overseeing work, establishing performance standards for employees and taking corrective measures to implement those standards. 2. For State employees, the Special Experience is interpreted at or above the level of Transportation Supervising Engineer (Construction Engineering) (Engineering)

SPECIAL REQUIREMENT:

Incumbents must possess Professional Engineer (PE) licensure from the Department of Consumer Protection State Board of Examiners for Professional Engineers and Land Surveyors consistent with C.G.S.§20-302.

Eligibility Requirement: Candidates must meet the requirements listed above.

Application Instructions:

Submit a cover letter which details your interest and suitability for the position, resume, application (State of Connecticut Application for Examination or Employment Form CT-HR-12) to:

**Department of Transportation
Bureau of Engineering and Construction
Office of Construction
2800 Berlin Turnpike
Attn: Ms. Kimberly Breton
Newington, CT 06111**

Applications forms are available at: [http://das.ct.gov/HR/Forms/CT-HR-12 Application.pdf](http://das.ct.gov/HR/Forms/CT-HR-12%20Application.pdf).

The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules. Interviews may be limited to candidates whose qualifications most closely meet the requirements of this position. The results of these interviews may be used to fill future Transportation District Engineer vacancies that occur in the Bureau of Engineering and Construction in the next twelve (12) months.
